

What we bring to you

- ♦ Australia's #1 international trials rider, current and undefeated South Australian Champion.
- ♦ Up to 3 shows per day (15-20 min durations) to fit in with your timetable of events.
- ♦ An experienced commentator providing a full running commentary and public address system with speakers, microphone etc.
- ♦ Fully self-contained purpose-built mobile stunt display unit on a 1967 F600 'classic' truck being the focal point of the show (first and only setup in Australia).
- ♦ Over 10ft jumps up a vertical 'splat', wheelies, drop-offs and freestyle tricks.
- ♦ Interaction with spectators and opportunity for spectator participation (including certificate for the kids!)
- ♦ Option to include extra props to ride over, e.g. cars, scaffolding, cement pipes, skip bins or machinery!
- ♦ \$50 million Public Liability Insurance cover and crowd control barrier.
- ♦ A positive image of the sport of motorcycle trials and an educational show.

We are proud of our professionalism and in delivering a top-quality service which is why we continue to be booked year after year.

What we need from you

- ♦ Any surface of any size, ideally 15m x 25m (min 12m x 18m). There will be no surface damage.
- ♦ Electricity to site for PA system. If power is an issue, we can supply our own power via an inverter at an additional small cost.
- ♦ A crowd!

We understand that event promoters already have a lot to organise in the lead-up and on the day, so that is why we are recognised as being self-sufficient and organised so event promoters have one less thing to worry about.
