At the time of collation, all information on event websites collected by Yorke Peninsula Tourism Marketing was correct and accurate. As time passes, a link may become inactive; if this happens, we recommended you go to the home page of the website to find the new location of their events listings. To help us keep our information up to date, please let us know of any changes or additional information to include.

Yorke Peninsula Tourism Marketing 'Calendar of Events'

- A list of events held throughout the region is sent to all our media contacts each month to maximise free publicity. This is also sent to the PR department of the South Australian Tourism Commission, which distributes SA Stories and Fast Track to media and industry. If you know of or are involved in an event, please let us know.

Australian Tourism Data Warehouse (ATDW)

- By registering your event with the ATDW, you can have your listing displayed free of charge on the Calendar of Events on the Yorke Peninsula website, www.yorkepeninsula.com.au, www.southaustralia.com, www.seeaustralia.com and the many other websites that use this same data. If you are involved with, or know of any events or festivals coming up, please contact us on 8821 2663 or email admin@yorkepeninsula.com.au

Yorke Peninsula Visitor Information Centres

- Advise the Visitor Centres of your event by email and they may also be able to display flyers or posters that they can display. Harvest Corner Visitor Information Centre also produces a weekly "What's Happening" email, which is distributed to businesses throughout the region. Ph 8853 2600 or email harvestcorner@netyp.com.au
