AWARD STRUCTURE:**Country Show Society Level**

All entrants must complete the award entry form. Show societies may only select one award winner each year, with other placegetters eligible to re-enter the following year. The participant selected at the country show society level represents that society at the association final. If the representative at show society level is unable to represent the society in the association final judging, then that society may select another participant to be their representative (e.g., runner up from their show competition).

Association Level

Finalists at the association level must be able to attend both an interview with a judging panel and a lunch/afternoon tea/dinner function held on the same date at a time and venue stipulated by the association. If a finalist is unable to attend both, then the show society will need to select another participant to be their representatives (e.g., runner up). If due to unforeseen circumstances at the last minute (such as medical or other emergency), the finalist is unable to attend the judging interview, special consideration should be given, at the discretion of the association, to liaise with the finalist and state coordinator, to reconvene an interview.

The association secretary must forward the entry form of the association winner to the State Coordinator of the Ambassador Awards immediately following the association final. A recommendation is for all association finals to be held during the autumn in the same year as the state final at the Royal Adelaide Show. If the association winner is unable to attend the state final, then the runner up will be asked to take their place.

State Level

The winner selected at the association level represents that association in the state final to be conducted at the Royal Adelaide Showground in conjunction with the SA Country Shows Symposium on the 12th of July 2024 (date to be confirmed).

The winner of the state final is the 2024 SA Young Rural Ambassador Award winner and will get the opportunity to spend two days at the 2024 Royal Adelaide Show, 1:30 pm on Friday the 30th August (pre-show) to 6:00 pm on Sunday the 1st of September 2024. (dates to be confirmed).

Eligibility to Re-enter

The winner of a previous state final is not eligible to enter the Young Rural Ambassador Award again. Previous state finalists are eligible to enter the award a maximum of 2 times, with a minimum gap of 2 years after their 1st state final. After this period, they are eligible to enter at country show level, and proceed through the various levels until they reach their 2nd state final.

Judging Panel

One of the judges at all three levels (country show society, association, and state) needs to be a past Young Rural Ambassador Award or Rural Ambassador Award state finalist, with show societies and associations encouraged to invite ambassadors from other areas to be judges. A list of previous Young Rural Ambassador Award and Rural Ambassador Award state finalists' contact details is available from the secretariat of SA Country Shows.

Alterations to Regulations

Requests for alterations to or exemptions from these regulations are to be made in writing and forwarded to the association secretary and secretariat of SA Country Shows. SA Country Shows reserves the right to alter the Rules and Regulations at any time. Any alterations approved will be notified in writing to all show and association secretaries.

Awards/Prizes *(The State Final awards/prizes may be subject to alteration)*

Country show societies and associations are to be responsible from determining the prizes at their levels.
