AWARD STRUCTURE:**Country Show Society Level**

All entrants must complete the award entry form. Show societies may only select one award winner each year, with other placegetters eligible to re-enter the following year. The participant selected at the country show society level represents that society at the association final. If the representative at show society level is unable to represent the society in the association final judging, then that society may select another participant to be their representative (e.g., runner up from their show competition).

Association Level

Finalists at the association level must be able to attend both an interview with a judging panel and a lunch/afternoon tea/dinner function held on the same date at a time and venue stipulated by the association. If a finalist is unable to attend both, then the show society will need to select another participant to be their representative (e.g., runner up). If due to unforeseen circumstances at the last minute (such as medical or other emergency), the finalist is unable to attend the judging interview, special consideration should be given, at the discretion of the association, to liaise with the finalist and state coordinator, to reconvene an interview.

The association secretary must forward the entry form of the association winner to the State Coordinator of the Ambassador Awards immediately following the association final. A recommendation is for all association finals to be held during the autumn in the same year as the state final at the Royal Adelaide Show. If the association winner is unable to attend the state final, then the runner up will be asked to take their place.

State Level

The winner selected at the association level represents that association in the state final to be conducted during the Royal Adelaide Show, 12:30pm on Friday the 3rd September (pre-show) to 10:00 pm on Tuesday the 7th of September 2027 (dates to be confirmed).

The winner of the state final is the 2027 SA Rural Ambassador Award winner and will represent South Australia at the Agricultural Shows Australia National Rural Ambassador Award Finals in 2028, date and location to be advised.

Eligibility to Re-enter

The winner of a previous state final is not eligible to enter the Rural Ambassador Award again. Previous state finalists are eligible to enter the award a maximum of 2 times, with a minimum gap of 5 years after their 1st

state final. After this period, they are eligible to enter at country show level and proceed through the various levels until they reach their 2nd state final.

Judging Panel

One of the judges at all three levels (country show society, association, and state final) needs to be a past Rural Ambassador Award state finalist, with show societies and associations encouraged to invite ambassadors from other areas to be judges. A list of previous Rural Ambassador Award state finalists' contact details is available from the secretariat of SA Country Shows.

Alterations to Regulations

Requests for alterations to or exemptions from these regulations are to be made in writing and forwarded to the association secretary and secretariat of SA Country Shows. SA Country Shows reserves the right to alter the Rules and Regulations at any time. Any alterations approved will be notified in writing to all show and association secretaries.

Awards/Prizes *(The State Final awards/prizes may be subject to alteration)*

Country show societies and associations are to be responsible from determining the prizes at their levels.

All state finalists will receive an RM Williams clothing package and be accommodated and hosted by SA Country Shows during their period of attendance at the Royal Adelaide Show.

The winner of the state final will receive \$5000 in prize money and the two runner ups will each receive \$1000 from the Royal Agricultural & Horticultural Society of SA Show Society Foundation.

The state winner and two runner ups will be invited to participate in an organised and funded study tour with the intent to be conducted by the following year's Royal Adelaide Show. Please note the study tour is subject to funding and may be altered. It is envisaged that subject to sponsorship all state finalists will participate in a weekend interstate exchange to the Sydney Royal Easter Show. There is also the opportunity for a state finalist to attend the Brisbane Royal Show (the Ekka). All dates and travel details to be confirmed.

Prize winners must advise of availability for the study tour and interstate exchanges within 30 days of the state final. Any cancellation of prizes must occur 60 days prior to departure. Finalists will need to accept prizes within 12 months otherwise prizes will be forfeited.
